The Disney Afternoon

Dear Sarra,

I am a big fan of The Disney Afternoon TV show and now the comic book. Your new comic book is excellent! In fact, I've already subscribed! My only complaint is that the comic books aren't long enough. But, being a beginning artist myself, I understand the strenuous work that goes into these pages.

Congratulations on a feather-rific comic series!

Kyle Pilgers, age 17
Plainville, CT

It's great to have an aspiring new artist like you along for the ride, Kyle! Subscribing to THE DISNEY AFTERNOON was a *shushing* good idea! Now you'll receive every issue right at your door step! If any of our other faithful fans are interested in subscribing to THE DISNEY AFTERNOON or any of Marvel's other Disney titles, you'll find a subscription form in this very issue. Simply fill it out and mail it in. For those of you under 18, be sure to check with a parent or an adult first.

Dear DISNEY AFTERNOON,

I have been a longt-ime watcher of The Disney Afternoon, and you guys are off to a great start! THE DISNEY AFTERNOON #1 was great. The Darkwing Duck story was exceptionally good. Thank you for using my favorite Darkwing villains — the Fearsome Five! TDA #2, I must say was also great. The Darkwing Duck story in this issue was even better than the first!

Any chance in the future of seeing more adventure-oriented stories featuring TaleSpin and Chip and Dale Rescue Rangers? Will we be seeing a Gargoyles comic?

Can't wait for the next issue!

Jesse Pindus, age 13
Old Brookville, NY

Well thank you, Jesse! It's funny you should ask about a longer, action-packed Chip and Dale story. Those clever little chipmunks will be starring in "Haunted Mouses," a 14-page adventure slated for issue #9! We know that seems like a long time to wait for your favorite little critters — but we promise it will be worth it!

And keep your eyes peeled, Jesse! The GARGOYLES monthly comic book series began *gliding* onto the newsstand and comic shop shelves in the middle of December. Don't miss it! In the meantime, we'll see you right here next month!

Dear Sarra,

I like The Disney Afternoon TV show so much that I had to have the comic. It's great! My favorite character of course is Darkwing Duck. Your comic book is a lot like the TV show. I re-read it almost every day. I hope that you will make the Goof Troop and Bonkers stories longer in future issues of THE DISNEY AFTERNOON!

Eddie Rise, age 8
Elmer City, WA

Welcome to comics, Eddie! From TV to comic books, Darkwing Duck has another home/secret hideout here at Marvel. We're glad he has so many wonderful fans that follow him wherever he goes! If it's longer stories you'd like, stay tuned! We've got a hilarious, longer Goof Troop adventure, starring Max and PJ, planned for next month!

Dear DISNEY AFTERNOON,

I've just recently picked up the first issue of THE DISNEY AFTERNOON and I loved it! When Disney discontinued these comics in 1991, I was heartbroken. I subscribe to several of the Disney titles and none are as good as this. TaleSpin is my ultimate favorite TV show/comic in the universe! I like how you are dedicated to making your comic books the best, and I look forward to the new talent in the writing and the art. The world needs THE DISNEY AFTERNOON comic book. My subscription is in the mail!

Geaorgia Donelle Lear, age 13
Elko, NV

Wow, thanks for the compliments, Georgia! We couldn't disappoint our faithful followers — besides the world is a better place with DISNEY AFTERNOON fans such as yourself. And there is no longer a need to fret, the Marvel/Disney titles are here to stay! Now that you've become a subscriber, you are guaranteed to have Baloo *drop* each adventure filled issue right into your mailbox!

Dear Editor

I really enjoyed reading the first issue of THE DISNEY AFTERNOON. I love the way Gosalyn always wants to be

part of her dad's (Darkwing Duck) adventures. Each time she called him dad, giving away his secret identity, I just couldn't stop laughing! I can't wait to read the next issue. Keep up the good work!

Adam Atkinson, age 5
Rochester, MI

We're glad that you enjoyed the first issue of THE DISNEY AFTERNOON so much, Adam! Gosalyn has an imagination *full* of ideas to keep you laughing! For other hilarious adventures, be sure to check out our other Disney titles: THE LITTLE MERMAID, BEAUTY AND THE BEAST and ALADDIN!

Dear DISNEY AFTERNOON,

I thought THE DISNEY AFTERNOON #3 was great! I *especially* liked the wonderful cover! How does one become an animator for Disney?

Glenn Avery, age 15
Charleston, SC

Good question, Glenn! The best way to become a comic artist or animator is to practice, practice, practice! Just draw as much as you can —and be sure you are learning to draw from life, not from comics or other mediums. You may want to consider going to an art school after finishing high school. There are several colleges you can attend that will help you sharpen your artistic skills. Keep in mind that having a career in the art field takes determination, an education and a terrific imagination! Good luck!

NEXT MONTH:

What thieving villain is robbing the city's banks while a mysteriously virulent strain of the flu keeps the citizens of St. Canard at home in bed? And will Darkwing Duck be able to stifle his own sneezes long enough to solve these crimes? Be sure to get your flu shot before tuning in for "Bad Medicine!"

Just how old is old? And more importantly, just how much money is something old worth?! Join Goof Troop's Max and PJ as they make a surprising discovery while digging in their own backyard! Will their dreams of mega-money come true? Check out "Dog Days" to find out!

ALSO THIS MONTH IN...

THE MARVELOUS WORLD OF Disney

Beauty and the Beast

"Dove Tales, Part 1" - It's snowing and Chip wants to go out to play! Chip wants Belle to help him build a snowman — but Belle becomes concerned when flurries turn to raging snowstorm and they can't even *see* the castle! Back in the village, Gaston *studies* up on his latest scheme to get Belle to walk down the aisle.

THE LITTLE MERMAID

"There Goes The Neighborhood" - The Floogle-fish to leave Atlantica! Without the Floogiefish, who will eat the Floogleweed? Can Ariel and Dudley the Turtle Advisor get the Floogiefish to return or are they *floogled* forever?!

Aladdin

"The Mysterious Amulet" - Aladdin travels back in time to find the answers to his past! Along the way, Aladdin meets up with an ex-thief named Zeno, who saves his life and an instant friendship is formed. Can Aladdin and Zeno find Aladdin's origins, or will they remain a mystery?!
